PTI Job Posting Requisition

Job Title: Jr. Oracle Database Administrator

Location: HQ

Number of Openings: 1

Desired Start Date: April 2013

Job Description:

Perpetual Technologies, Inc. (PTI) is an Indianapolis-based veteran-owned business that specializes in providing Information Technology consulting services to clients nationwide. PTI is looking for an enthusiastic individual to join our growing practice as a Junior Oracle Database Administrator. The Jr. Oracle DBA will be responsible for supporting the Senior DBA staff which includes, but not limited to software installations, database creation, backup implementation, shell scripting, client communication, and monitoring. The Jr. Oracle DBA will participate in the 24/7 on call rotation and be required to obtain Oracle OCP Certification within 12 months of hire date.

Required Skills:

- Familiarity with Microsoft Windows and Office Suite
- Strong interpersonal skills
- Strong verbal and written communication skills
- Desire to increase knowledge
- Available to participate on 24/7 on call rotation
- 1-2 years of Oracle exposure
- Eager to learn new technologies

Ancillary Skills:

- Oracle PL/SQL or SQLPLUS
- UNIX familiarity
- Knowledge of Oracle products

Certifications/Education:

- Oracle OCA or OCP, preferred
- Bachelor's degree in Information Technology or related field, required
